Ref: Your Project THE COUNTY"
Sub: Flat no. T-5/1-L in "THE COUNTY"

I have booked a flat in your real estate complex project "THE COUNTY" at Doulatpur, Pailan, Joka via MOU dated 10/04/2013 and paid Rs. 11, 40, 000/- (Rupees: Eleven Lac Forty Thousand only) as 50% of total provisional cost of the flat. I have been kept in dark by false commitment that project is under construction and made available to me by 2017. But I was shocked & astonished when I came to know that the project of my Tower no. IV has not yet commissioned though money was paid 5 years back. Mr. Ravi Prasad from your office kept telling lies regularly regarding the development of my unit.

Since you failed to deliver your project to me, I hereby claim my money with due interest, damages as well as compensation out of the default from your side to deliver possession in stipulated point of time. If no responses been received within 7 days for your side regarding refund of my money, I would have no option rather going to "District Consumer Court", filling complaint before Police administration and other Government Bodies for fraud & cheating case against your Company

Further please refer my complaint in your e-contact form dated 15/03/2018.

Hope you will understand the value of my hard earned money and will initiate to refund as soon as possible.

Positive response waiting from your side.

Thanking you

Yours faithfully,
