Sir,

I, hereby re-submit all necessary documents for rectification my Application of registration of my project Vide NRR-01200, Dated 11.02.2020 for the grant of registration of my/our project.

But after re-submitting the Files the Files cannot be opened for three times which reason is not known to me.

Here it be mentioned that in this way I submit the application for my another project and I got the HIRA registration number. But this time the File is removed from the Website.
