DEVELOPMENT PLAN

Fire: There are no fire exits in the proposed structures. As it is a G+III flat, there are no requirements for fire safety measures.

Emergency Evacuation: There are no emergency evacuations in the proposed structures.

Drinking Water: We will be providing for water by means of availing the services of the Municipal Corporation.

Use of Renewable Energy: There are no plans for installation of structures to procure renewable energy as of now. If plans to use such arises, we will intimate accordingly.

Community Hall: There is no community hall in the proposed structure.

Lift: Lifts are being built in the proposed structures.

There are no such plans for the development of any additional structures as of now as it is a very small undertaking. If any such plans to provide facilities do arise, we will intimate accordingly.
