Sir,

In the project "KEVENTER'S RISHRA-II" the plan of development works to be executed and the proposed facilities to be provided thereof are stated as below.

Project Specifications:

1. Fire-Fighting : As per the building configuration the building is out the perview of any recommendation from WBFES.However their will be provision of the fire extinguisher at each floor level.
2. Drinking-Water Facility: Pump and over head reservoir as per design and specification of the Architect.Water would be provided as available in the natural strata of the zone-if provided through borewell.In case of Municipal water supply the same would be as supplied by them.
3. Emergency Evacuation services: Not Applicable.
4. Use of Renewable Energy: Not Available.

Thanking You,

For KEVENTER PROJECTS LTD.
