Chairman
Rajni Municipality
Rajni Hooply

- SUBJECT TO THE FOLLOWING CONDITIONS**
1. Only the Municipal water connection will be given to the concerned premises. In addition to the water connection, the applicant should make arrangement for supply of water for the location of the premises after taking necessary written permission from the Water Works Department of this Municipality.
 2. All necessary information should be furnished to the Municipal Authority regarding completion of the building, each lot and the total completion of the building.
 3. Construction should be made under supervision of a qualified Civil/Structural Degree/Diploma holder. The Municipal Authority reserves the right of supervision of the proposed construction and to stop at various stages during the construction.
 4. The applicant should ensure that the building is completed within the time limit provided by the Owner of the building at the concerned premises.
 5. In any circumstances, the building outside walls should not be constructed above the Municipal Road level during the construction.
