A. Premises concerned need to be taken for pollution free environment:-

- a) Where construction area/building with concrete fabric retaining dust barriers, or other actions, as appropriate for the location.
- b) Apply water mist or fog to the visible dust in a visible form or control condition for temporary stabilisation.
- c) Apply water mist or fog to the visible dust in a visible form or control condition for temporary stabilisation, in order to prevent or reduce any other such moving activity to keep the soil moist throughout the process.
- d) Limit vehicle speed to 5 kmph on the right side.
- e) Control dust from the site of the building under construction.
- f) Apply a cover or screen to enclose any road works or construction activities at completion of earth by water and maintain a distance of 50 metres from the road.
- g) Apply a cover or screen to enclose any road works or construction activities at completion of earth by water and maintain a distance of 50 metres from the road.
- h) Maintain a distance of 50 metres from the road.
- i) Maintain a distance of 50 metres from the road.
- j) Maintain a distance of 50 metres from the road.
- k) Maintain a distance of 50 metres from the road.
- l) Maintain a distance of 50 metres from the road.
- m) During construction work, including grading of mounds, suitable area level should not exceed more than 500mm.

6. Practices to be observed for pollution free environment:-

- a) Don't dispose of debris indiscriminately.
- b) Don't cut materials without proper dust control/cover facility.
- c) Don't keep materials without effective cover.
- d) Don't keep materials without effective cover.
- e) Don't keep materials without effective cover.
- f) Don't leave the soil, sand and cement stacks uncovered.
- g) Don't keep materials or debris uncovered.
- h) Don't keep materials or debris uncovered.
- i) Don't keep materials or debris uncovered.
- j) Don't keep materials or debris uncovered.
- k) Don't keep materials or debris uncovered.
- l) Don't keep materials or debris uncovered.
- m) Don't keep materials or debris uncovered.
- n) Don't keep materials or debris uncovered.
- o) Don't keep materials or debris uncovered.
- p) Don't keep materials or debris uncovered.
- q) Don't keep materials or debris uncovered.
- r) Don't keep materials or debris uncovered.
- s) Don't keep materials or debris uncovered.
- t) Don't keep materials or debris uncovered.
- u) Don't keep materials or debris uncovered.
- v) Don't keep materials or debris uncovered.
- w) Don't keep materials or debris uncovered.
- x) Don't keep materials or debris uncovered.
- y) Don't keep materials or debris uncovered.
- z) Don't keep materials or debris uncovered.
