Proposed Facilities for "Cancun Promise"

1. We are providing adequate number of fire fighting equipments, such as Fire Extinguisher in every floor in lobby area.
2. We are providing spacious lobby and staircase for emergency evacuation, the project is having three staircases, also it has wide lobby area for any emergency situation.
3. All the flats will have 24 Hours water supply by heavy duty water pump and over head water tank.
4. There is no renewable energy usage.

Thanking you,

Yours faithfully,

Partner
