NPR No-00727

[Sub.: Hearing dated 05th August 2019]

Respected Sir,

The above NPR No. was posted for hearing on 5th August, 2019 before the Designated Authority.

Our representative duly appeared before the Designated Authority and after hearing the Ld. Designated Authority was pleased to direct us to file progress report regarding construction and Chartered Accountant Certificate regarding utilisation. We were also asked to fill up the covered area column in the application form.

But in the rectification direction the above order passed by the Designated Authority was not reflected, instead there was a direction for submitting a declaration "that the applicant has not collected any booking money from the allottees neither done any sales /advertisement."

Kindly appreciate that our project commenced much before the Housing Industry Regulation Act, 2017 came into force and due to the said reason the Hon'ble Designated Authority asked us to submit the Chartered Accountant's Certificate.

Kindly communicate us the direction as passed by the Designated Authority in course of hearing on 05.08.2019 so that we can upload the necessary documents at the earliest and registration be granted accordingly.

Thanking You,

Yours Faithfully
