Sirs,

In compliance of your mail dated 1-4-2019, we had attended the hearing before your goodself on 09-04-2019 and explained our case. This was submitted that due to inadvertent error, we had uploaded a wrong plan while applying for registration. Subsequently, the scanned copy of the correct plan duly sanctioned by the Chandernagore Municipal Corporation was uploaded. We once again attached the said correct copy of the sanctioned plan. As the total built up area of the project 'Sabuj Swapno' is less than the threshold limit of 20,000 sq. meter, no environmental clearance is required for this project.

A fresh coloured scanned copy of the affidavit in Form A with the date of completion of the project, is being uploaded for your kind perusal.

You are requested to kindly approve the registration of the project and oblige.

Thanking you,
Yours faithfully
