

INDEPENDENT AUDITOR'S REPORT

To the Partners of **AKSHAY VINIMAY LLP**

Report on the Financial Statements

We have audited the accompanying financial statements of **Akshay Vinimay LLP** ("the LLP"), which comprises the **Balance Sheet** as at **31st March, 2017** and the **Statement of Profit and Loss** for the year then ended, and a **summary of significant accounting policies** and **other explanatory information**.

Management's Responsibility for the Financial Statements

Management is responsible for preparation of these financial statements that give a true and fair view of the financial position and financial performance and of the LLP in accordance with the accounting principles generally accepted in India, including the Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI). This responsibility also includes maintenance of adequate accounting records for safeguarding the assets of the LLP and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies, making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with the Standards on Auditing issued by ICAI. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the LLP's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the LLP has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the LLP's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the **State of Affairs** of the LLP as at **31st March, 2017**, and its **Profit** for the year ended on that date.

Report on Other Legal and Regulatory Requirements

We report that :

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- b. In our opinion proper books of account as required by law have been kept by the LLP so far as it appears from our examination of those books;
- c. The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d. In our opinion, the aforesaid financial statements comply with the Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI).

Notes to financial statements for the year ended 31st March 2017

1.1 Basis of preparation of Financial Statements

The accounts of the LLP are prepared under the historical cost convention using the accrual method of accounting in accordance with the generally accepted accounting principles in India.

1.2 Fixed Assets

All fixed assets are valued at cost inclusive of freight incurred, duties & taxes (net of Cenvat) and incidental expenses less accumulated depreciation and impairment. The cost of fixed assets comprises purchase price and all other attributable costs of bringing the assets to working condition for intended use and includes interest on borrowings and finance costs during the period of construction/ installation of the assets.

Expenditure for addition, improvement and renewal are capitalized and expenditure for maintenance and repairs are charged to the Profit & Loss Account.

Fixed Assets not ready for their intended use as at the Balance Sheet date of the financial statements are shown as capital work in progress.

Depreciation

Depreciation on fixed assets has been provided for on the basis of Written down value method in the manner prescribed under Income Tax Act, 1961.

1.3 Capital Work in Progress

These are stated at cost and pending for allocation.

1.4 Impairment of Assets

The carrying amount of assets are reviewed at each balance sheet date to determine if there is any indication of impairment based on external/internal factors. An asset is treated as impaired when the carrying cost of assets exceeds its recoverable amount which represents the greater of the net selling price and 'Value in use' of the respective assets. An impairment loss is charged to the Profit and Loss Account in the year in which an asset is identified as impaired.

Depreciation is provided on revised carrying amount after impairment.

1.5 Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long term. Current quoted investments are stated at lower of cost or market rate on individual investment basis. Unquoted and long term investments are considered at cost, unless there is a permanent decline in value thereof, in which case, adequate provisions is made against such diminution in the value of investment. All the investments are long term investments.

1.6 Inventories

- (i) Finished products are valued at lower of cost or net realizable value.
- (ii) Stores and Spares and Construction materials are valued at cost.
- (iii) Work In Progress are valued at cost.
- (iv) Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

The cost of inventories comprises of all costs of purchases, cost of conversion and other cost directly attributable to the acquisition thereof. To arrive at the cost of inventories, the FIFO cost formula along with the retail method for measurement of cost has been adopted.

1.7 Borrowing Costs

Borrowing costs that are directly attributable to the acquisition or construction of qualifying asset are capitalized until the time all substantial activities necessary to prepare the qualifying assets for their intended use are complete. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

1.8 Taxation

Provision for income tax comprises of current tax and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with The Income Tax Act, 1961. Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing difference of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date.

1.9 Revenue Recognition

- (i) Revenue is recognized to the extent that it is probable that the economic benefits will flow to the LLP and the revenue can be reliably measured.
- (ii) Revenue from Sale of goods and services rendered is recognized upon passage of title and significant risk & reward and rendering of services, to the customers. Sales are accounted for on the basis of ex-works delivery.
- (iii) Insurance and other claims to the extent considered recoverable, are accounted for in the year of claims. However claims and refunds, whose recovery cannot be ascertained with reasonable certainty, are accounted for on acceptance basis.

1.10 Revenue Recognition

A provision is recognized when an enterprise has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made.

Provisions made in terms of Accounting Standard 29 are not discounted to its present value and are determined based on the management estimates required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect current management estimates.

1.11 Provisions, Contingent Liabilities and Contingent Assets

Provision is recognized in respect of obligations where, based on the evidence available, their existence at the Balance Sheet date is considered probable.

A provision is recognized if, as a result of a past event, the LLP has a present legal obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by the best estimate of the outflow of economic benefits required to settle the obligation at the reporting date.

Where no reliable estimate can be made, a disclosure is made as contingent liability. A disclosure for a contingent liability is also made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

Re-imburement expected in respect of expenditure to settle a provision is recognized only when it is virtually certain that the re-imburement will be received.

A Contingent Asset is not recognized in the Accounts.
