CERTIFICATE OF GEO-TECHNICAL ENGINEER
 I, the undersigned, being duly qualified as a Geotechnical Engineer, have examined the above and certify that the design of the foundation and retaining walls is in accordance with the provisions of the Building Code of Ontario, 1995, and that the design is adequate for the intended use of the building and its contents. This certificate is valid for a period of two years from the date of issue and is subject to the provisions of the Building Code of Ontario, 1995.

CERTIFICATE OF STRUCTURAL ENGINEER
 I, the undersigned, being duly qualified as a Structural Engineer, have examined the above and certify that the design of the building structure is in accordance with the provisions of the Building Code of Ontario, 1995, and that the design is adequate for the intended use of the building and its contents. This certificate is valid for a period of two years from the date of issue and is subject to the provisions of the Building Code of Ontario, 1995.

CERTIFICATE OF ARCHITECT
 I, the undersigned, being duly qualified as an Architect, have prepared the above drawings and certify that they are in accordance with the provisions of the Building Code of Ontario, 1995, and that they are a true and correct representation of the design intended to be constructed. This certificate is valid for a period of two years from the date of issue and is subject to the provisions of the Building Code of Ontario, 1995.

AREA STATEMENT OF THE PLAN PROPOSAL

NO.	DESCRIPTION	AREA (SQ. M)	REMARKS
1	REAR PORCH	1.10
