The Secretary,
HIRA, West Bengal
Kolkata

Dear Sir,

Subject: Clarification Regarding Commencement Letter

This is in reference to the captioned subject, we would like to inform you that pursuant to the Building permit No. 680/MM/2015-16 dated 24.08.2015, we had commenced the construction of the project and informed the authority vide our letter dated 07.01.2016 (Copy Attached), whereas before the expiry of the aforesaid permit no., we had already received a revised / new building permit vide Building Permit No. COM-93/MM/2017-18 dated 08.03.2018 and the said permit is valid upto 07.03.2021. Since we were continuing with the construction as per the aforesaid commencement letter, we thought that since the construction is already going on in full fledged basis there is no point to give commencement letter for the revised sanction.

However if you want new commencement letter as per the new sanction, we shall submit the same with the municipality and deposit the copy of the same to your goodself within 3 months.

Please do the needful and oblige.
