[Sub – Clarification Letter with regard to Sanction Plan]

Dear Sir,

This is for your kind information that when the plan for our project "Gurukul Grande" as per sanction plan Phase IIA (as per marketing work Phase IV), was sanctioned the area was falling within the Jurisdiction of Mahishbathan Gram Panchayat and according to the Sanctioned Plan issued by Mahishbathan Gram Panchayat and approved by the Pradhan. Since the permissible building height 15 ft. and as such requirement of the plan to be sanctioned by the Panchayat Samiti was not required only the Gram Panchayat is authorized to sanction building till 15 ft.

We undertake and confirm that we shall be solely responsible for that.

This is for your information and records.

Thanking You,

Yours faithfully,
GURUKUL HOMES PVT. LTD.
