EXISTING GROUND FLOOR PLAN

PARTY'S COPY

Plan for Water Supply arrangement including SEMI L.G. & O. H. reservoirs should be submitted at the Office of the Ex-Engineer Water Supply and the sanction obtained before proceeding with the work of Water Supply any deviation may lead to disconnection/demolition.

Before starting any Construction the site must conform with the plans sanctioned and all the conditions as proposed in the plan should be fulfilled.
The validity of the written permission to execute the work is subject to the above conditions.

No rain water pipe should be fixed or discharged on Road or Footpath. Drainage plan should be submitted at the Borough Executive Engineer's Office and the sanction obtained before proceeding with the drainage work.

Design of all Structural Members including that of the foundation should conform to Standards specified in the National Building Code of India.

A suitable pump has to be provided i.e. pumping unfiltered water for the distribution to the flushing cisterns and urinals in the building in case unfiltered water from street main is not available.

All Building Materials to necessary & construction should conform to standards specified in the National Building Code of India.

DEVIATION WOULD MEAN DEMOLITION

Approved By: *[Signature]* 11-12-11
The Building Committee
