The undivided share of each of the co-owners in the Property is within the ceiling limit permitted under the Urban Land (Ceiling and Regulation) Act, 1976.

From the information furnished by the Land Acquisition Department, South 24 Parganas, it appears that land has been acquired from portions of RS Dag Nos. 391, 392 as well as 393 at Mouza Laskarhat for EM Bypass as well as for drainage scheme. However, such portions do not comprise the Property as out of the total land comprised in R.S. Dag Nos. 391, 392 and 393 in Mouza Laskarhat, the area comprising 55 cottah 8 chhittack has been mutated in favour of the Owners and they are in possession of such area. Therefore, even though the Owners had purchased land in excess of 75 cottah, the development can only be carried out over the Property first described hereinabove which is mutated and converted in the name of the Owners and is outside the scope of acquisition.
