Kolkata- 700 017.

Memo No: 732/W-27

Date: - 04.07.2017

**Sub : Regd. Application for permission of obtaining water supply, drainage and sewerage and solid waste disposal facilities for your proposed Housing Complex on a land area of about 20 Acres at Holding number-449/A/1, G.T.Road, Mouza-Mahesh, J.L.No.15, P.S.Serampore, under Serampore Municipality, Dist.Hooghly, West Bengal.**

**Ref No.: Your letter dated 06.05.2017**

Dear Sirs,

With reference to the above, we have noted that your project is coming up in the above said address.

- 1 We will supply safe arsenic free treated surface water during construction and operation phases from our own source to your project as per your requirement.
- 2 Storm Drainage – you can discharge rainwater in the Municipal drain in front of your project site. Roof top rain water harvesting would be done by you as per Norm.
- 3 Treated Sewage – You have to install STP at your own and discharge the treated wastewater into the drain in front of your project. You have to recycle the treated wastewater as much as possible in your project. You have to obtain clearance from West Bengal Pollution Control Board in this respect.
- 4 Organic part of Garbage should be treated on-site by installing mechanical composter. We have door to door solid waste collection facility. Our conservancy personnel will collect rest of the solid waste from the designated place inside your project and dispose of in the Municipal solid waste management site.
- 5 You have to obtain license from the W.B. Emergency & Fire Services Dept.

5. You have to obtain license from the W.B. Emergency & Fire Services Dept.

The charges for the above said facilities will be intimated to you in due course, that is after completion of the project.

This is for your information.

Thanking You,

**Chairman,  
Serampore Municipality.**
