NOTE 20 : SIGNIFICANT ACCOUNTING POLICIES

1. Basis of accounting

These Financial Statements are prepared to comply in all material aspects with all the applicable accounting principles in India, the applicable accounting standards notified under the Companies Act, 2013 and the relevant provisions of the Act.

The accounting policies adopted in the preparation of financial statements are consistent with those of the previous year.

2. Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates.

3. Recognition of Revenue

Some items of income are postponed as they are recognised on work pendency of flats .
Instead of deed of conveyance , A land purchased , developed and sold upon execution of deed of conveyance.

4. Tangible Assets

Fixed Assets are stated at cost less accumulated depreciation and cumulative impairment loss if any. Cost includes duties taxes, incidental expenses, erection/commissioning expenses and borrowing cost attributable to qualifying assets up to the date the asset is put to use.

5. Intangible Assets

The Company does not have any intangible assets.

6. Depreciation

Depreciation has been provided on the straight line method as per the life of assets prescribed in Schedule II to the Companies Act, 2013. Depreciation for the assets purchased/sold during a period is proportionately charged.

7. Inventories

Inventories are valued at cost . Cost includes landed cost of materials , labour and development Charges

NOTE 20: SIGNIFICANT ACCOUNTING POLICIES (Cont.)

9. Provisions, Contingent Liabilities and Contingent Assets

i) Provisions are recognised for liabilities that can be measured only by using a substantial degree of estimation, if

- a) the Company has a present obligation as a result of a past event,
- b) a probable outflow of resources is expected to settle the obligation, and
- c) the amount of the obligation can be reasonably estimated.

These are reviewed at each Balance Sheet date and adjusted to reflect the current management estimates.

ii) Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursements will be received. No contingent liability exist which needs a disclosure.

iii) Contingent Assets are neither recognised, nor disclosed.

10. Taxes on Income

Income tax expense comprises current tax and deferred tax charge. Current tax is determined as the amount of tax payable in respect of taxable income for the year based on applicable tax rates and laws. Deferred tax is recognised on timing differences being the difference between taxable income and accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax assets are recognised only if there is reasonable/virtual certainty that sufficient taxable income will be available against which such deferred tax assets will be realised. Such assets are reviewed as at each balance sheet date to reassess the reasonability thereof.

11. Earnings per share

Earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the number of equity shares outstanding during the period.

Annexure - A to the Independent Auditor's Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Ired Projects Limited** ("the Company") as of March 31, 2016 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
