

Project Name Patther Ppanchali

The screenshot displays the Google Earth Pro application window. At the top, the title bar reads "Google Earth Pro" and includes standard window controls. Below the title bar is a menu bar with "File", "Edit", "View", "Tools", "Add", and "Help". A toolbar with various icons is positioned below the menu bar. On the right side of the toolbar, there is a "Sign in" button.

The main interface is divided into several panels on the left and a large central map area. The top-left panel is the "Search" panel, containing a search bar with the coordinates "22 26 46.77 N, 88 22 15.51 E" and a "Search" button. Below the search bar, there are links for "Get Directions" and "History", and a list of search results with a checkmark and a location pin icon.

The "Places" panel is located below the search panel. It shows a tree view with "My Places" expanded, containing a "Sightseeing Tour" folder with a sub-entry "Make sure 3D Buildings layer is checked", and a "Temporary Places" folder.

The "Layers" panel is at the bottom left. It shows a list of layers under "Primary Database", including "Borders and Labels" (checked), "Places" (checked), "Photos", "Roads", "3D Buildings", "Ocean", "Weather", and "Gallery".

The central map area shows a satellite view of a village. A yellow pin is placed on a building, with the coordinates "22 26 46.77 N, 88 22 15.51 E" displayed next to it. The text "Boral Saral Dighi" is visible on the map. In the bottom right corner of the map, there is a copyright notice: "Image © 2018 DigitalGlobe © 2018 Google" and the "Google Earth" logo.

The bottom status bar of the application shows the year "2005", the "Imagery Date: 3/20/2018", and coordinates "22°26'48.93" N 88°22'13.47" E elev 8 m eye alt 207 m".

The Windows taskbar is visible at the very bottom, showing the Start button, a search bar with "Type here to search", and several application icons including Chrome, File Explorer, and a PDF viewer.
