LOCATION ADVANTAGE

Kabya is a multi-block gated community situated at the serene and peaceful location of Reckjoani, Rajarhat; one of India's fastest growing planned new cities. It is away from the hustle and bustle of city life, yet conveniently connected to New Town, VIP Road, and other parts of Kolkata. Rajarhat is gradually developing as an impressive information technology centre of Kolkata, with numerous IT giants setting up their offices here. From Kabya, it's a smooth traffic-less drive to the Netaji Subhash Chandra Bose International Airport and the proposed East West Metro corridor.
