Specifying of building materials on /
beside the public road is not allowed
the Municipality may confiscate those
materials as per rule.
The contractor is responsible for the
cost of the material and the cost of
the work.

Transfer of occupancy right of any
part of the building before the
completion of construction work
shall be void and the contractor
shall be liable for the cost of the
work.

When information is received from the contractor
that the contractor has completed the
work, the contractor shall submit a
written statement to the project manager
confirming the completion of the work
and the contractor shall be liable for
the cost of the work.

1. The contractor shall be liable for the cost of the work.
2. The contractor shall be liable for the cost of the work.
3. The contractor shall be liable for the cost of the work.
4. Full responsibility / liability will be borne by the contractor.
