

**PARTY'S COPY**

Plans for Water Supply arrangements including SEMPLI G. & O. H. installers should be submitted to the Executive Engineer, Water Supply and Sewerage Department, Bangalore. The validity of the written permission to execute the work is subject to the following conditions.

Design of all Structural members including that of the foundation should be shown to the National Building Code of India.

All Building Materials to be used in construction should conform to the standards specified in the National Building Code of India.

Non-Compliance of Structural members with the National Building Code of India will require Fresh Application for Sanction.

Approved By: *[Signature]* 14/02/23  
The Building Committee.

Necessary stamp should be affixed for the use of public and private properties during construction.

The building materials that will be stacked on Road/Highway should be stacked on Road/Highway after construction of G. Floor, whichever is earlier may be released forthwith by the R.M.C. at the completion of the work.

Provision for use of solar energy in the form of solar heating or solar cooling shall be provided in buildings of height more than 2000 sq. ft. completion certificate will not be issued in case of building without having such provision.
