

PARTY'S COPY

This is a true and correct copy of the original as submitted to the Office of the Registrar of the National Building Council of Australia. It is not to be used for any other purpose.

The applicant refers to the proposed plans shown in red and the Executive Summary and the Committee's Report to the Committee of the plan.

Having verified by comparison the original with the copy submitted and all the conditions as proposed in the plan and the Committee's Report, the Registrar is satisfied that the work is in accordance with the provisions of the Act and the Regulations.

REGISTRATION NO. 11111
Date: 11/11/11

REVISION WORK PERMITTED
The applicant is permitted to make such amendments to the plan as may be necessary to comply with the provisions of the Act and the Regulations.

CONSTRUCTION SITE SHALL BE MAINTAINED
The applicant shall ensure that the construction site is maintained in accordance with the provisions of the Act and the Regulations.

A building permit is to be provided to the applicant by the Registrar of the National Building Council of Australia. The applicant is to be advised of the conditions of the permit and the requirements of the Act and the Regulations.

All Building Materials to be used in the construction of the building shall be of the quality and quantity specified in the Building Code of Australia.
