Nabadiganta Industrial Township Authority

Memo No. 1217/NDITA/W-99/10

Date: 17/09/2010

To
Director,
Delta PV Pvt. Ltd.,
'Emami Towers',
687, Anandapur, EM Bypass, 2nd floor,
Kolkata-700107.

Sub: NOC for concurrence for supply of water and accepting solid waste and treated wastewater from your Plot No.:A1-3, Block - GP, Salt Lake City, Sector - V, Kolkata - 700091.

Ref: Your letter no. EPL/DLTPV/Corrs/2010-11/277 dt. 13.09.2010.

Dear Sir,

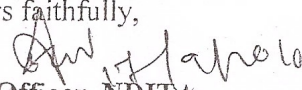

In inviting your attention to the subject and referred letter, I have been directed by the Authority to inform you following facts:

- i) That comprehensive water supply and sewerage system has been implemented for Sector-V, Salt Lake, which is to be commissioned soon. From such system you shall be provided water supply and your sewage/waste water shall be accepted in the system, for which contact shall be established with you to appraise you about the modalities and cost aspect, thereto.
- ii) That storm water from your premises shall be accepted into the existing system in Sector V against submission of formal proposal with sketch etc. from your end and payment of usual charges for such connection.
- iii) Solid waste generated from your plot (excluding hazardous waste) shall be accepted through existing comprehensive Solid Waste Management System of this Authority.

This Authority has no objection if you avail above facilities.

Thanking you,

Yours faithfully,

Executive Officer, NDITA
