Sir ,

We have obtained sanction of a partly(B)+G+XXXI storied residential building and a single storied shop at the aforesaid premises vide Building Permit No. - 2015100196 dated -02.03.2016 and accordingly have made the construction of the main building except the ramp portion for parking at the upper floor level .

In this regard we have slightly modified the ramp portion for easy manoeuvring of cars to the parking level till 4<sup>th</sup> floor and since some portion of the void portions at upper floor levels are filled up we have omitted the 31<sup>st</sup> floor from the sanctioned plan to keep the construction within the permissible FAR .

Under the circumstances , we request your goodself to kindly process the file for onward sanction of the plans U/R26(2a)(2b) for which we are willing to pay necessary fees and charges as applicable .

Thanking You

Yours faithfully
