

Sheet No. - 506

**CERTIFICATE OF STRUCTURAL ENGINEER**  
 I hereby certify that the construction of 4/7th floor slab (S.L.) works as shown on the drawings in accordance with the approved drawings. The drawings were prepared by me or under my direct supervision and I am a duly registered structural engineer under the provisions of the Structural Engineering Act, 1969 and I am conversant with the provisions of the Building Act, 1964 and the rules made thereunder. I have examined the drawings and the specifications and I am satisfied that the construction of the above work will be in accordance with the approved drawings and the specifications and that the same will be executed in accordance with the provisions of the Building Act, 1964 and the rules made thereunder. I have also examined the site conditions and I am satisfied that the same are suitable for the construction of the above work. I hereby certify that the construction of the above work will be in accordance with the approved drawings and the specifications and that the same will be executed in accordance with the provisions of the Building Act, 1964 and the rules made thereunder. I have also examined the site conditions and I am satisfied that the same are suitable for the construction of the above work. I hereby certify that the construction of the above work will be in accordance with the approved drawings and the specifications and that the same will be executed in accordance with the provisions of the Building Act, 1964 and the rules made thereunder. I have also examined the site conditions and I am satisfied that the same are suitable for the construction of the above work.
