

**Stacking of building materials on
beach and pitch** *(illegal)*, and
the Municipality may issue a
warning notice to the
owner or manager of the
material.

**Transfer of occupancy right of any
part of the building before the
receipt of completion certificates**
(illegal), and
the Municipality may issue a
warning notice to the
owner or manager of the
building.

**Written information in the prescribed form is to be submitted
to the Municipality before the commencement of construction work
per section 9 of the Building Act, and the Municipality may issue a
warning notice to the owner or manager of the building if the
information is not submitted from the commencement of work and hence
the Municipality may issue a warning notice to the owner or manager of the
building if the owner or manager of the building fails to submit the
information required by the Building Act.**
