The Secretary  
HIRA, West Bengal  
Kolkata  
Sir,

The plan of development works to be executed in the proposed project and the proposed facilities to be provided thereof including fire-fighting facilities, drinking water facilities, emergency evacuation services, use of renewable energy in our project "HARMONY" (Phase-I):

Project Specifications: (Please elaborate the following points if there, else write NA)

1. Fire-Fighting : There will be fire extinguisher in each floor of each Block.
2. Drinking Water Facility: There will be over- head water tank on each Block. The water tank will be filled by sub-marshal pump for each Block.
3. Emergency Evacuation services: To handle the emergency situation, there will be easy access to the wide staircase from the Flats.
4. Use of Renewable Energy: Solar lighting in the landscape space.
