Raj Agrawal

North Barrackpore Municipality

Plan No. 508 of 2017-2018

Provisional permission is accorded for construction of masonry building and sanitary privy as specified in this plan up to plinth level and subject to the condition as laid down in the Building Rules Book and as noted hereunder.

- a) On receipt of completion certificate for construction up to plinth level, sanction for the work up to ground level of ground floor will be recorded subject to satisfactory completion of work upto plinth level.
- b) If there is any deviation of construction upto plinth level, the plan is liable to be cancelled.
- c) Necessary provisions for fire protection, garbage dumping and drainage system must be shown in the plan.
- d) Deep tube-well if installed is to be under supervision of Water works Dept. Government of West Bengal.
- e) Laboratory test report along with certificate "Fit for Human Consumption" is required in case of deep tubewell water.
- f) Electrical wiring is to be done as per rules and norms of WISSE/CESC. And in no case municipality will be held responsible for any hazards due to any circuit and defective installation.
- g) Fire fighting arrangement is to be made as per provisions of Fire Service Rules & Regulations.
- h) North Barrackpore Municipality will not be held responsible for any structural failure and collapse of the said building and for any grievance or inconvenience to the occupier.
- i) Soil and water assessment of the building is made by the municipality for determination of the property use and function of the building cannot be used for residential, commercial or any other purpose.
- j) Sanction of the plan may be revoked if provisions of environmental pollution and Indian Air Forces are not maintained and fulfilled.
- k) The sanction to the building plan may be revoked if objection is received from the West Bengal Pollution Control Board or from Indian Forces, Barrackpore.
