# Annexure B to the Independent Auditors' Report.

# Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of Giridhar Promoters Private Limited ('the Company') as of 31 March, 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

### Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

### Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained in sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

### Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of the Management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Continued.....P/7.

### Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risks that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

### SIGNIFICANT ACCOUNTING POLICIES

### A. Basis of Preparation of Financial Statements

These financial statements have been prepared and presented on the accrual basis of accounting and comply with the accounting standards notified under Section 133 of the Companies Act, 2013 read with Rule 7 of Companies (Accounts) Rules, 2014 to the extent applicable and other accounting principles generally accepted in India, to the extent applicable.

### B. Use of Estimates

The preparation of financial statements requires the Management to make estimates and assumptions to be made that affect the reported amount of assets and liabilities as on the date of the financial statements and the reported amount of revenues and expenses during the reporting year. Difference between the actual results and estimates are recognized in the period in which the results are known/ materialized.

### C. Fixed Assets and Depreciation

Fixed Assets are stated at cost less accumulated depreciation / amortization. Costs include all expenses incurred to bring the assets to its present location and condition. Depreciation is provided on written down value method in accordance with the rates and in the manner specified in Schedule II to the Companies Act, 2013 in such a way so that assets should be depreciated after considering salvage value of five percent of original cost of the assets over a useful life of assets as prescribed under schedule II of the companies Act, 2013.

### **D.** Investments

Long Term Investments are stated at cost. Provision for diminution in value of Unquoted Investment is made only if such decline is other than temporary in nature in the opinion of the management. Dividends are accounted for as and when received.

### E. Inventories

Stock of Inventories are valued at lower of cost and net realizable value.

# SIGNIFICANT ACCOUNTING POLICIES (CONTD.)

### F. Taxation

Tax expense comprises of current tax and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income Tax Act, 1961.

Deferred Tax Expense or Benefit is recognized on Timing Differences that originate in one period and are capable of reversal in one or more subsequent period/s .

Deferred Tax Assets and Liabilities are measured by using Tax Rates and Tax Laws that have been enacted or substantially enacted by the Balance Sheet Date.

The Deferred Tax Assets are recognized only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available to realize such assets.

### G. Earnings per Share

Basic and diluted earnings per share are calculated by dividing the net profit for the year/period attributed to equity shareholders by the weighted average number of equity shares outstanding during the year/period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

### H. Provisions, Contingent Liabilities and Contingent Assets

A provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent Liabilities are not recognized but disclosed in notes to accounts. Contingent assets are neither recognized nor disclosed in financial statements.

### I. Revenue Recognition

Revenue is recognized only when it can be reliably measured and it is reasonable to expect ultimate collection. Sales are recognized when the substantial risks and rewards of ownership in the goods are transferred to the buyer.

### J. Impairment of Assets

The Company evaluates all its assets for assessing any impairment and accordingly recognizes the impairment, wherever applicable, as provided in Accounting Standard 28, "Impairment of Assets"
