Re: Request for reduction in penalty amount for our delay in registration of the Project- Eco Exquisito, situated at premises no. 7B Short Street, Kolkata - 700016

Respected Sir,

This is in reference to the above captioned subject and our subsequent online registration on your website on 25.6.2020 after payment of all registration fees.

On account of our delay in registering our project, we have been levied a penalty of 50% of the registration fee of Rs.31430/- .. making the penalty amount Rs. 15715/-.

We humbly request you to consider our case and charge us a penalty of 20% instead , i.e.Rs. 6286/-.

Looking forward to your kind cooperation in this matter.

Thanking you,

Yours Faithfully,

For: Ecoprime Highrises Private Ltd.
