To,

The Authority Concerned,

Reg :- Registration to WBHIRA

Sub :- Fire NOC

Dear Sir,

With due respect, It is stated that the on going construction of Mritshikha Boutique Apartments residential project was sanctioned by local authority without Fire NOC because of it's being a G+4 building and height being 15 mtr.

However it is solemnly declared that adequate measures will be taken (including keeping fire extinguishers, Pumps, etc.) as per advice of Fire department on due time once the construction is completed or possessions are handed over to the buyers.

Thanks and regards,
