

Structural plan and design calculation as submitted by the structural engineer have been kept with B.P. No. 2019 0300 & O. Date 23.05.19 for record of the Kothasa Municipal Corporation without verification. No deviation from the submitted structural plan should be made at the time of erection without submitting fresh structural plan along with design calculation and stability certificate in the prescribed form. Necessary steps should be taken for the safety of the adjoining public and private properties and safety of human life during construction.
