The golden moments of life

"I will live in a house within a big compound. There will be green trees all around, a beautiful garden, swimming pool and lot of games. All of us - my ma, baba, didi, thammi, dadu and I, will live there happily ever after."

THERE IS A DREAM IN EVERY CHILD'S HEART. A DREAM ABOUT HIMSELF AND ALL WHOM HE LOVES. OUR ENDEAVOUR IS TO REALISE THESE DREAMS AND TO CREATE A HOME THAT IS EXACTLY THE WAY THEY HAVE ALWAYS WANTED, AND MORE.

ARRJAW SONAR KELLA IS NOT GOING TO BE YET ANOTHER RESIDENTIAL ADDRESS IN THE MOST DEVELOPING BARUIPUR AREA. IT WILL BE A PROMISE TO PRESENT YOU AND YOUR BELOVED ONES WITH A LIFE FORTIFIED ONLY WITHIN THE GOLDEN MOMENTS.

The golden moments of life

The Golden Blend

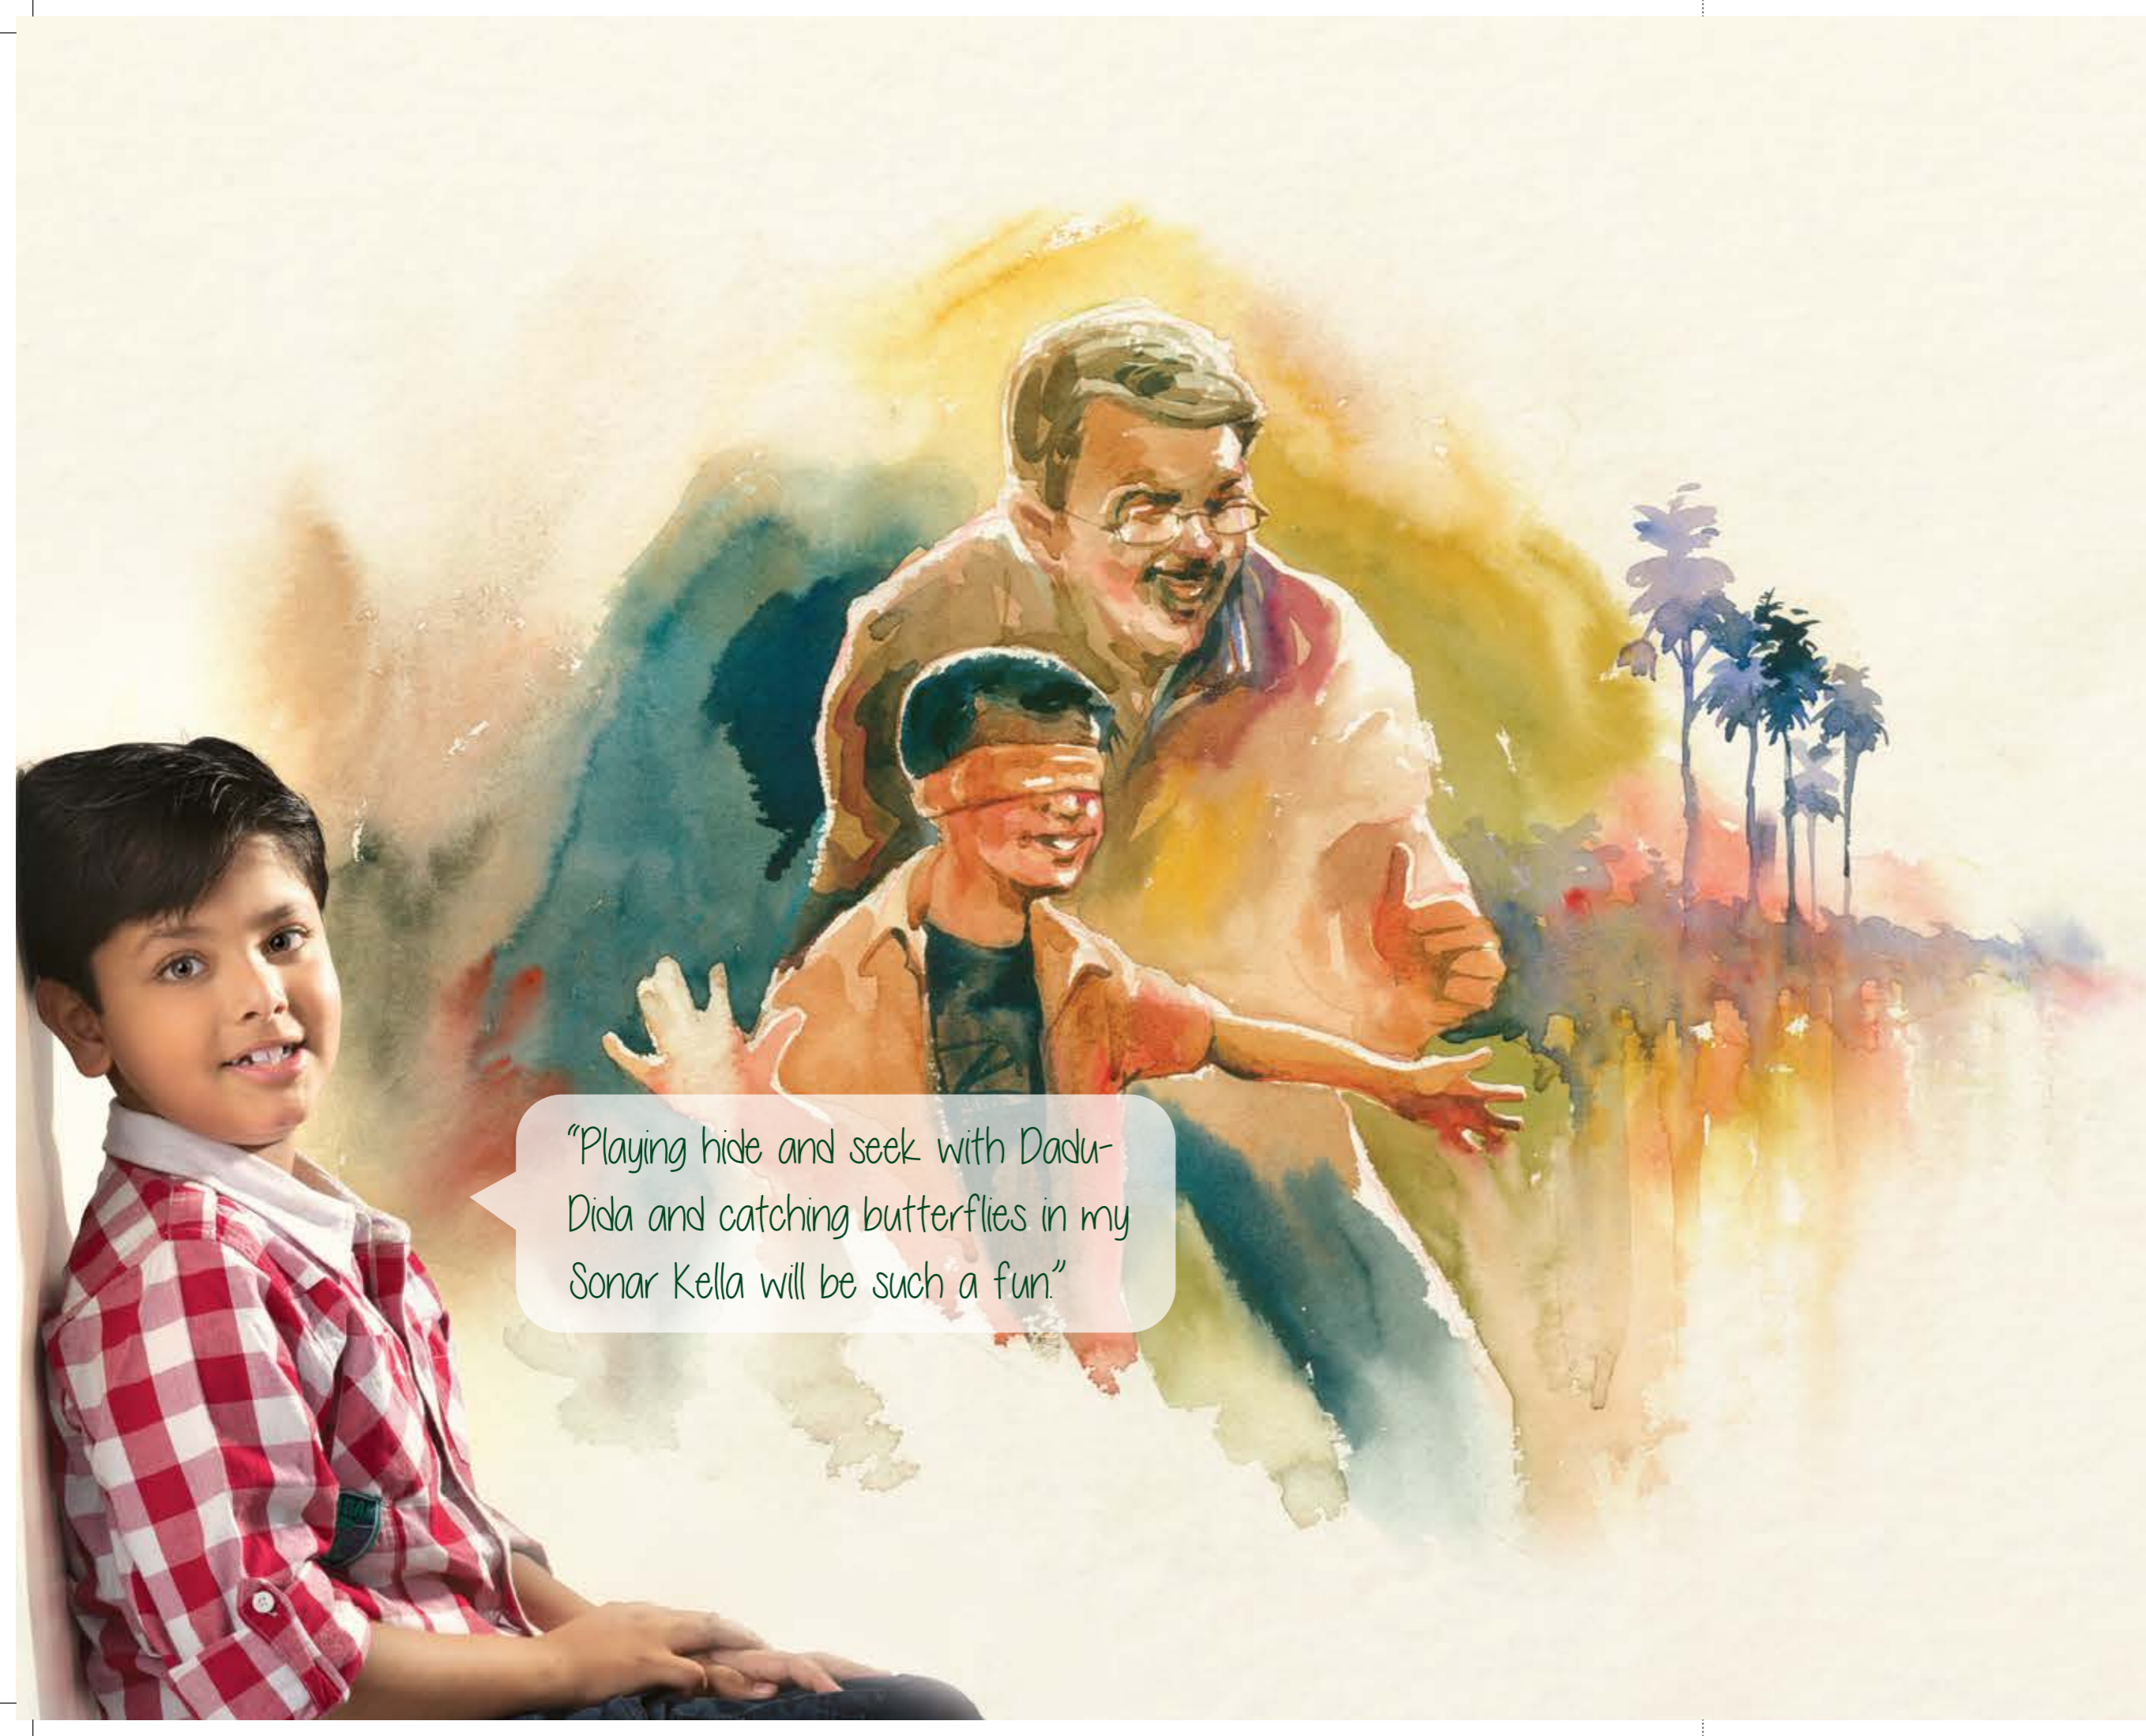

We all love to run far away from the madding crowd and the cacophony. Yet we wish to stay within the conveniences and entertainment of the city. Baruipur, the emerging extension of southern Kolkata, is just the place where we can experience the city life amidst the serenity of nature. The Eastern Bypass, the Railways and the Metro has brought the entire Kolkata closer to Baruipur.

Arrjaw Sonar Kella, the golden blend of nature and modern life.

"Papa hates the noises of the city. But there are no offices in the country side. Now Papa can happily live in my Sonar Kella."

Smiles Forever

The bond shared between a child and his grandparents is special. Relationships like these thrive best in open, green and lively spaces. At Arrjav Sonar Kella, the senior citizens will rediscover the freshness of life not only in the greenery and open spaces, but also in the playful hours spent with the children. The amenities at Arrjav Sonar Kella create joys that last forever.
