RE: Water supply, Drainage sewerage and Municipal solid waste management facility for your upcoming residential project at Holding No.-7, Dag no.-580,1343 & 1344, J.L.no.-45, Mouja – Doharia, Ward No.-16, Dist.-24 Pgs.(N)

Dear Sir,

With reference to the above subject we would like to state as follows-

1. Water will be supplied by Municipality from our source and system.
2. Storm Drainage – you can discharge rain water in the Municipal drain in front of your project.
3. Treated Sewerage – you have to install STP at your own and discharge the treated wastewater in to the drain in front of your project site. You have to obtain clearance from W.B. Pollution Control Board.
4. We have door to door solid waste collection facility. Our personnel will collect solid waste from the designated place of your project and disposed off in the Municipal solid waste management site.
5. You have to obtain licence from the W.B. Emergency & fire services Dept.

The charges for the above said facilities will be intimated to you in due course, that is, after completion of the project.

Thanking you,

Your's faithfully

Chairman
Madhyamgram Municipality
