

PARTY'S COPY

Plan for Water Supply arrangement including S.M.M.C. & O.M. reserves should be submitted at the Office of the Ex-Engineer Water Supply and the sanction obtained before any construction work is started. Any deviation may lead to disconnection of supply.

A suitable pump has to be provided to pump up untreated water for the distribution to the flushing systems and urinals in the building. Untreated water from street main is not available.

No rain water pipe should be fixed to discharge on Road or Footpath. Drainage plan should be submitted at the Office of the Ex-Engineer Water Supply and the sanction obtained before proceeding with the drainage work.

Necessary steps should be taken for the safety of the persons working at the site during construction.

EVANATION WOULD BEAN DEBULTION

THE SANCTION IS VALIED UP TO 24.11.2022
