

2023-2024
 10/10/2023

1- The first part of the book is devoted to the study of the history of the Indian people. It traces the evolution of the Indian nation from the prehistoric times to the present day. It shows how the Indian people have fought for their freedom and independence against the British rule. It also discusses the role of the Indian leaders and the Indian National Congress in the struggle for independence.

2- The second part of the book deals with the social and economic conditions of the Indian people. It discusses the caste system, the untouchability, and the poverty in India. It also talks about the social reforms and the economic development of India.

3- The third part of the book discusses the political and administrative changes in India.

It discusses the Indian National Congress, the Indian National Army, and the Indian National Front. It also talks about the political and administrative changes in India after independence. It discusses the formation of states and the role of the Indian government.
