Please be informed above the most important conditions, as follows:

1. You have to bear the total cost for development of the infrastructure (i.e. installation of distribution transformer, drawl of LT and HT line, meter connection etc.) to serve the contractual load demand and the entire work will be carried out under the supervision of WBSEDCL. It may be presumed that, you are ready to wait for your new electric connection, until the aforesaid infrastructure is developed which will be capable to serve the demand load.
2. You will be responsible to arrange the necessary way leave (as per clause no 3.2.1/c of notification 46 of WBERC) for installation of new transformer and other LT and HT network, which is required to serve your connection.
3. The entire LT and HT system and network will be the property of WBSEDCL.
4. An agreement must be executed in the prescribed format annexed with the procedure-B form.(application form for the new electric connection in residential/commercial complex)

Thanking you,

SM, City Centre CC

Yours Sincerely
