Notes annexed to and forming part of Balance Sheet as at 31st March, 2018 and Statement of Profit & Loss for the period 31st March, 2018.

1. SIGNIFICANT ACCOUNTING POLICIES

(a) Background

RISHINOX BUILDWELL LLP ("the LLP") is a Limited Liability Partnership registered under the Limited Liability Partnership Act, 2008. It was incorporated on 30th August, 2016. The LLP has been set up to carry out business of real estate activities.

(b) Accounting Convention

The financial statements of the LLP have been prepared and presented under the historical cost convention using the accrual basis of accounting in accordance with the accounting principles generally accepted in India and are in accordance with the applicable Accounting Standards issued by The Institute of Chartered Accountants of India.

(c) Use of Estimates

The preparation of financial statements requires estimates and assumption to be made that affects the reported amount of assets and liabilities on the date of financial statements and reported amount of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognised in the period in which the results are known / materialised.

(d) Fixed Assets & Depreciation

Fixed Assets are stated at cost of acquisition less depreciation. Depreciation for the year is provided on the written down value method at the rates determined based on the useful lives of respective assets in the manner specified in schedule II of the Companies Act, 2013 Depreciation on addition to assets is calculated on pro-rate from the date of such addition

(e) Inventories

Direct expenditure relating to construction activity is inventorised. Indirect expenditure during the construction period is inventorised to the extent the expenditure is related to construction or is incidental thereto. Other indirect expenditure incurred during the construction period which is neither related to construction activity nor is incidental thereto is charged to the profit and loss account. Cost incurred / items purchased specifically for projects are taken as consumed as and when incurred / received.

Construction Work in Progress includes cost of land, construction costs, materials at site and allocated expenses incidental to the projects. It represents cost incurred in respect of unsold area of the real estate development projects or cost incurred on projects where revenue is vet to be recognised.

(f) Borrowing Cost

Borrowing costs that are attributable to the acquisition and / or construction of qualifying assets are capitalised as part of the cost of such assets, in accordance with notified Accounting Standard 16 "Borrowing Costs". All other borrowing costs are charged to the Statement of Profit & Loss as incurred

(g) Provisions

A provision is recognised when the LLP has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which reliable estemate can be made.
