

PARTY'S COPY

Plan for Water Supply arrangements including SCHEDULES & D. H. drawings should be submitted to the Office of the Chief Engineer, Water Supply and the sanction obtained before proceeding with the work of Water Supply and Sanitation may lead to discontinuation of work.

Plans for Water Supply and Sanitation for Construction for which the plans sanctioned are all those which are proposed in the plan should be filled. The validity of the written permission to execute the work is subject to the above conditions.

No new water pipe should be laid or discharged on Road or Footpath. Discharge pipe should be provided in the Down Gradient Engineer's Office and the approval obtained before proceeding with the drainage work.

Design of all Structural Members including that of the Foundations should conform to Standards specified in the National Building Code of India.

Available pump has to be provided in existing buildings for the distribution of the building systems and systems in the building where no stand water level system is available.

All Building Materials to be used in a construction should conform to the standards specified in the National Building Code of India.

SEWAGE TREATMENT PLANT

Non-Compliance of Sanitation Provisions with the Plan will require Fresh Application for Sanction.

THE SANCTION IS VALID UP TO 12/1/2023.

Approved by *[Signature]* Chief Engineer, Water Supply and Sanitation, Bangalore.

APPROVED
[Signature]
ASSISTANT ENGINEER (C)
BANGALORE, INDIA.

Approved subject to conditions of sanction of Chief Engineer, Water Supply and Sanitation, Bangalore.

Sanctioned subject to condition of sanction of Chief Engineer, Water Supply and Sanitation, Bangalore.

*Provision for use of solar energy in the form of solar water and/or solar photo cells shall be provided as required under Rule 44 of Building rules, 1962 and compliance certificate will not be issued in case of building without having such provision.

CONSTRUCTION SITE SHALL BE MAINTAINED TO PREVENT SPREAD OF DISEASES AS REQUIRED UNDER THE ACT OF CHOLERA 1961. MUDRA HANDLES AND OTHER ALL WASTE COLLECTION AND DISPOSAL SYSTEMS SHALL BE MAINTAINED CLEANLY UNTIL THE WORK IS COMPLETED.

The building materials that will be issued on the basis of the plan sanctioned at the time of construction should be stored in the open area as specified in the plan sanctioned by the M.M.C. at the time of the issue.
