ATTESTED

TAPASU CHATTERJEE
Bilwanagar Municipal Corporation

- Approval Subject to:
- 1) Building rules for Bilwanagar Municipal Corporation shall have to be observed.
 - 2) No wastage of water shall be made, check ground level and ground level in ground/road.
 - 3) In no case water from rain water pipe and the house sewer directly or through any land fully opening, lateral sewer system and water supply from have not to be separately connected.
 - 4) Being empty any construction should be submitted that for any dimension conforms conditions of plans sanctioned and all the fittings and fixtures shall not be connected by dumping of building material, etc. Appendix B shall have to be observed.

Dusts construction activities are to be strictly taken to reduce the effects of dust pollution from building construction sites

- Properly covering all building materials stacked at site like cement bags, sand, lime & stone chips.
- Using water sprays or sprinklers to keep the dust down during activities such as concreting, plastering, spreading concrete and piling activities.
- Washing the wheels of vehicles leaving the site, if they are carrying mud or waste.
- Putting up solid barriers around the site.
- Properly covering trucks & vehicles that enter and leave the site-carrying building materials.
- Changing soiled clothes.
- Properly covering top soil and topsoil adjacent to the site at frequent intervals.
- Taking care to prevent water when using stone cutters and making the working areas wet before using the machinery.
- Not burning waste materials at site which causes smoke containing carbon monoxide and a range of poisonous substances.
