The image shows a vertical elevator control panel. At the top, there is a red diamond-shaped logo with the letters 'EC'. Below the logo, a digital display shows a white upward-pointing arrow above the number '0'. The panel features several buttons: a 'STOP' button, a bell icon button, a double-headed vertical arrow button, and an 'HS' button. Below these are floor selection buttons numbered 1, 2, 3, and 4. At the bottom, there are buttons for 'UP', 'DOWN', and a power/clear button with an 'X' symbol. The panel is partially covered by a piece of white paper and is set against a light-colored wall with a pink ribbon on the right side.
