The screenshot displays a web interface for managing modifications. At the top, there is a blue header bar with the text "List of Modifications Accepted / Rejected". Below the header, there are several controls: a "Filters" button with a count of 2, and buttons for "Print", "PDF", and "Excel". On the right side, it shows "Total of records: 2" and "Page No. 1 of 1".

Below these controls are two dropdown menus: "Accepted?" with "Accepted" selected, and "Modification Status" with "Completed" selected. There are "Search" and "Clear" buttons below the dropdowns.

The main content is a table with the following columns: SL#, Request No., Application No., Created On, Field, Action, and Approval of Modification. The "Approval of Modification" column is highlighted with a red border. The table contains two rows of data:

SL#	Request No.	Application No.	Created On	Field	Action	Approval of Modification
1	CR-00000001		28/01/2020 3:50:07 PM	Applicant Info - Applicant Type		Modification Approved
2	CR-00000001		28/01/2020 3:50:07 PM	Applicant Info - District		Modification Rejected

Callouts in blue speech bubbles provide additional information:

- "Open filter box" points to the "Accepted?" dropdown.
- "Modification Accepted/Not accepted" points to the "Accepted?" dropdown.
- "Modification Completed/Pending" points to the "Modification Status" dropdown.
- "This column display modification status (approved/rejected by Authority)" points to the "Approval of Modification" column.
